### **Christmas Party**

In December the Wargrave Local History Society had our traditional party. Helen and Chris Perry had arranged two quizzes. In one, members had to try to identify photographs of 'parts' of the village - parts of some (familiar) village road nameplates caused several people to think quite hard! - whilst the second quiz needed a combination of village knowledge and the lateral thinking of a cryptic crossword to answer. We were then treated to refreshments of mulled wine and home made mince pies and blackberry and apple pies provided by Wendy Smith.
